

Vital Sphere

(possible answer key)

Write an e-mail (about 100 – 130 words) to your penfriend Charles/Charlotte from England and tell him/her about Vital Sphere! Charles/Charlotte and his/her family – his/her father, mother and little Susan (2) - will be at Dorfstraße station on Sunday morning. Don't forget to tell him/her how much it is for his/her family and how to get to Vital Sphere.

Hi Charles/Charlotte,

How are you? I`m fine. Thanks for answering my last mail. I was really happy ;-) about that. **Let's go to Vital Sphere on Sunday. There are lots of things to do. There is a 100 meters long water chute and we can play chess under water. They also have pools with aquariums so we can swim next to fish and turtles. Your sister is free because she's only two years and for the rest of your family the day is 96 €.** When you are at Dorfstraße station turn right into Badstraße and Vital Sphere is opposite the station.

See you on Sunday

Dave
