

United States of America

This worksheet is about the voting system in the United States of America. Do you know how it works? Circle all the statements which are **WRONG**. Correct them.

Good luck 😊

1) Before the actual election there are so called primaries where the parties choose their candidates.

2) There are three main parties in the USA.

→ There are two main parties: the Democrats and the Republicans.

3) To win the election the candidate must receive the majority of electoral votes.

4) If no candidate gets the majority the Senate chooses the president.

→ If this happens the House of Parliament chooses the president and the Senate chooses the vice president.

5) The election day is in early October of the Election Year.

→ The election day is in early November of the Election Year

6) The inauguration day is on January 20th. This is a ceremony to mark the beginning of the 4-year term of the president.
